WHEELING JOCKEY CLUB MEETING

ON THE STATE FAIR GROUNDS TRACK-THE SPORT WAS VERY GOOD, THOUGH SOME OF THE FINISHES WERE RATHER TAME. THE ENTRIES FOR TO-DAY ARE PROMISING . OF EXCELLENT SPORT.

The ten days' running meeting inau-gurated by the Wheeling Jockey Club had an auspicious beginning at the state fair grounds yesterday. About 600 horse lovers were present, and evidently enjoyed the sport, though the finishes were rather tame. The "Primrose Club" and the "Chicago Club" had a monopoly of the betting ring, and were liberally patronized, considering the fact that running races are a compar-ative novelty to Wheeling.

On the east side of the race track, facing the grand stand, the lockey board, containing the names and num-bers of jockeys, and a large dial, indi-

bers of jockeys, and a large dial, indi-cating past time, are located. The in-termissions between the events were made enjoyable by Meister's band, sta-tioned in the grand stand.

The track was muddy and holding, but Heck, ir., covered four and one-half furlongs in the creditable time of :594. This augurs well for fast time when the track is in normal condition. Below will be found the summaries:

FIRST RACE.

FIRST RACE.

Seven flyers faced the starter for the initial event, with Belle Australian, a \$15 favorite. A prompt start was secured, the horses getting away at the first break. Lillipute, a 7 to 1 shot, was away in the lead. She maintained her advantage to the end, winning in a gallop, with the favorite in fifth place, one-half dozen lengths back. Time, 1:01.

SECOND RACE.

SECOND RACE.

The second race at six furlongs, had six starters. After a tedlous delay at the post, Hiddenite being chief offender, the nags were sent away to a fair tart. Whippany, at 59 to 1, assumed the lead, closely followed by Reform and Jewsharp. These positions were unchanged to the finish, Whippany winning in a canter, pulled up. Governor Crists, the "good thing" was a distantation, Time, 1:21%.

THIRD RACE.

Prompt was the favorite for the third rare at four and one-half furlongs, and justified the confidence of the talent by winning easily. Monroe Döctrine was away first, but would not fry. Jackens securing the place. Time, 1:00. Minko Mald was left at the post, Alda pulled up at the start.

FOURTH RACE

FOURTH RACE.

The fourth race, a field of four, gave promise of a spirited contest between Medica and Heck, jr. After a short delay Heck, jr., was away in the lead, Medica second and Postman third, Finnwater getting the worst of the send-off. When the quarter was reached, with Heck, jr., making the pace, the animals were strung out in Magte file. The finish was a procession, with Heck, jr. as the leader.

FIFTH RACE.

PIFTH RACE.

It was 5:50 when Bugier Mister announced the starters for the final race of the day. Considerable delay ensued before the bang-talls were sent away to a good start. The finish was a repetition of the preceding races—the winner galloping, the rest nowhere. Silver Brook, a distant relative of Henry of Navarre, 6 to 1 in the betting, made the pace and was pulled up at the finish. Corn Cob made a game run and secured the place. Speedy was third. Time, 1:23%.

BOXING.

The Bridgeport Club has completed all its boxing carnival next week, Bezenah who meets Louden Campbell, the first night, writes that he will be here on Priday to finish his training. On the second evening — Wednesday — Oscar Gardner and Yook Hennigst measure logaths, and the third evening Eddle Gardner meets Jack Kinlow, of McKeen-port, at 125 pounds. Kinlow takes Mc-Clelland's place.

Why is it every sarssparilla which tries to sell itself, ranges itself against Ayer's as the standard? Why is it that all have to offer extra inducements - bigger bottles, fancy wrappers, cheaper price—anything, everything, but the one inducement of quality?

has never been equaled by any cheap imitation of it, and quality tells, just as blood tells.

It is the Standard.

"I have sold Ayer's Barsaparilla for more than twenty-five years, and have never heard anything but words of praise from my contoners; not a single complaint has ever reached me. A preparation must possess great merit to maintain such a reparation. I believe your sarsaparilla to be the best blood purifier that has ever been introduced to the general public. I often hear other manufacturers say that this is "as good as Ayer's," but no one ever yet heard it said that Ayer's was "as good" as you the kind. They always set Ayer's up as the standard of excellence,"—R. F. BOYCE, Deluth, Minn.

At the close of the Prohibition meeting Monday night, Rev. G. W. This was done in order to keep the assembly hall at Moundsville, as Mr. Bodley intended moving if something was not done to insure the meeting of the expenses of next wear's meeting.
